

Oregon Prescription Drug Monitoring Program

Lisa Millet, MSH, Injury & Violence Prevention Manager

Public Health Division, Oregon Health Authority

Central Oregon PDO Summit

Redmond, OR

October 14, 2015

Overview

PDMP provides data to increase patient safety and improve patient health

OHA's PDMP registration and use goal is 90%

How will we know we've met our goal?

PDMP Data, Central Oregon, 1/2015-08/2015

- In Oregon, about 1 in 4 people have a controlled substance prescription

Opioid prescription rate per 1,000 persons, central OR:

	All Opioid Rate	Hydrocodone Rate	Oxycodone Rate	Morphine Rate	Methadone Rate*	Hydromorphone Rate	Opioid & Benzodiazepine Rate
Statewide	253.1	173.8	89.2	10.9	3.7	6.2	44.9
Crook	314.8	234.6	93.5	18.3	4.4	5.8	64.5
Deschutes	273.0	191.8	87.0	11.9	2.3	5.7	60.5
Hood River	188.1	132.5	57.3	8.5	4.0	3.2	31.4
Jefferson	294.7	218.0	82.9	12.4	3.0	5.0	51.2
Wasco	247.7	172.2	82.5	10.9	6.9	5.0	47.4

- Central Oregon, unique opioid recipients: 80,239 people

Controlled Substance (CS) Prescribers Registered to use the PDMP by County, Oregon, 2015

County	Number of CS prescribers	Number of CS prescribers signed up to use PDMP	Percent registered
Crook	44	23	52%
Deschutes	931	375	40%
Hood River	123	79	64%
Jefferson	53	42	79%
Wasco	120	58	49%

Use of the Prescription Drug Monitoring Patient Report

- Check the patient report at first visit, when writing a new or renewal prescription for a controlled substance, periodically
- Use the patient report to connect with other providers who are writing controlled substance prescriptions for a patient
- Use the patient report to discuss patient controlled substance use with a patient
- Use the patient report as part of assessment

PDMP Web Portal

- PDMP web portal (user access and registration): www.orpdmp.com/
- Training videos: <http://www.orpdmp.com/health-care-provider/>

Increase Opioid Prescriber Registration in a Clinical Setting

- Assess the registration rate in a setting
- Set a target for registering 90% prescribers by end of 2015
- Establish registration site in setting
- Distribute registration forms to staff that agree to register
- Collect completed registration forms from staff
- Set up a time for a notary to come to the office during a staff meeting
- Staff can show credentials and notary can sign off on registration forms
- Send forms to the PDMP office in Portland

Delegates

- Staff that work with authenticated registered users of PDMP can also become system users
- They have to complete registration forms in the same way as prescribers or pharmacists
- Prescribers and pharmacists are responsible for managing the delegate accounts working in their practice

Registration Goals

County	CS prescribers	CS prescribers signed up	Currently registered	CS prescribers needed to reach 90%
Crook	44	23	52%	17
Deschutes	931	375	40%	462
Hood River	123	79	64%	110
Jefferson	53	42	79%	46
Wasco	120	58	49%	108

Summary

- PDMP is a new data system that can help to increase patient safety and improve care
- Registration is a two step process that includes online setup and download and completion of a notarized registration form
- PDMP needs assistance increasing prescriber and pharmacist registration to 90% statewide
