

behavioral health integration ECHO

SPECIAL SERIES: integrating behavioral health amidst COVID-19

WHAT is happening?

- Join our 'virtual learning network' to learn from integration experts how to optimize new practice patterns quickly and efficiently
- Discuss emerging strategies from peers for integrating behavioral health services amidst disruptions to standard practice patterns
- Troubleshoot barriers & co-develop strategies to overcome these barriers to effectively treat patients
- Grow from the learning network to enhance and accelerate implementation of emerging best practices

WHEN?

- Wednesday's from 11:30am – 12:30pm (via Zoom)
